

# HOW CAN BRENT BEST SURVIVE CLIMATE CHANGE?

Wembley 2025?

The Met Office has joined with leading climate scientists to suggest that time is running out if we are to avert catastrophic climate change.  
Come and join us to discuss what can be done at local level.

**Tuesday 28th October**

**7.30pm Willesden Library Centre**

**Jean Lambert, Green MEP for London**

**Stefanie Schmiedel, Brent Friends of the Earth**

**Phil Thornhill, Campaign Against Climate Change**

*Organised by Brent Green Party supported by Brent Friends of the Earth,  
Brent Campaign Against Climate Change and Brent Trades Council*

*Published by Brent Green Party, PO Box 54785, London NW9 1FL . Further information:
