

# Vote Green on 7th June

## SIMONE ASPIS

Simone Aspis is a disability rights activist and trainer. She has lived in Brent for 10 years and is well known in the local community.

### Dear Voter

"You may wonder what politicians are doing to make a difference to your life. Every day, I am speaking out for all local people's access to services and opportunities. I want to see better buses and trains and cleaner air for all in Brent.

To defend the local area, I have spoken out against nuclear waste trains passing through Cricklewood and Willesden and the sale of old buildings, parks and gardens to developers.

If you share my hope for a fairer society and a better world then vote Green."

*Simone Aspis*  
*Green Party Candidate*

**Green policies will ensure that everyone's basic needs are met without harming the planet and our future:**

#### **A HEALTHY PLANET**

- Put people, animals and the planet before money (profit)
- Make business and people who cause noise or unhealthy air and water (pollution) pay fines or taxes
- Protect parks, green space and wildlife
- Make streets safer for walkers and cyclists

#### **DECENT PUBLIC TRANSPORT**

- Put more money into public transport
- Spend less money on roads and airports
- Bring the tube and trains back under government control

#### **BETTER SERVICES FOR ALL**

- Provide better health care and tackle the causes of illness
- Provide free education (learning) for all
- Put more money into saving energy so everyone can afford to stay warm
- Provide good quality housing for all and make use of empty buildings

#### **A FAIR SOCIETY**

- Help poor people, the homeless and pensioners with a minimum income for all
- Take tough action when groups such as black people, gays and disabled people are treated badly or unfairly
- Treat asylum seekers with respect

#### **A BETTER WORLD**

- Support local jobs and local shops and services
- Make government answer to people, not to big business
- Stop the World Bank and big business from using loans and trade to take unfair advantage of people in the poorest countries
- Scrap nuclear weapons

#### **YOUR VOTE CAN MAKE A DIFFERENCE**

London Greens now sit in the European Parliament and on the Greater London Authority and more Greens are being elected to councils around the country. Greens have been working hard for a cleaner, safer and fairer world. Your vote can make a difference - reach for the future - vote Green.
